Dear Mr. Gray:

Prior to Mr. Dulles' departure from the City for a few days he asked me to acknowledge and thank you for your letter of 28 March 1957.

The Central Intelligence Agency does not have regular representation on the Interdepartmental Radio Advisory Committee. However, Mr. [redacted] has been designated as the individual directly responsible for frequency coordination for the Agency. Under emergency conditions he will be located at the Agency's emergency relocation center. Messages addressed to the "Director of Communications" will be delivered to him expeditiously.

Sincerely,

/s/
